

Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

My goal in life is to make it on the big screen. I would love to be a singer and an actor. If its not tv, I'd love to do theatre. Which is what I am doing right now. I would like to grow as an actor and put myself out there. These are the reasons why I am trying so hard in school. Grades are very important and so is my GPA, cause that's what colleges look for so I am pushing myself to be better than I was last year.
