Form Summary

Please share your educational and career goals/aspirations and how you plan to move toward greatness:

I plan to graduate from North Carolina Central University with a Bachelor's Degree in Biology, and pursue a career in pharmaceutical sales. I will achieve this dream by using the funds of the Christian Long Scholarship to pay for tuition/supplies expenses to learn the knowledge necessary to be competent in performing the day to day tasks as a pharmaceutical salesman. These tasks involve learning the basics of pharmaceutical drugs and presenting them to major hospitals to buy them.
